Munch's The Scream in Cross
Stitch by Mel Luckenbaugh

Size of art: 11 in x 15 in
Plus framing with double mat

31,500 tiny Xs recreate Edvard Munch's
The Scream in this beautiful cross stitch
piece of art.

The Scream is an iconic work of art depicting
the feeling Munch had of an "infinite scream
passing through nature" while walking along
a fjord overlooking Oslo.

The cross stitch recreation took three months
to make and was created specifically for the
MECP2 fundraising event by Albert family
friend Mel Luckenbaugh.
